

1/02/2017

To,
The Director,
National Institute of Technology Goa,
Farmagudi, Ponda, Goa.

Through Head of Department, CSE and Students Welfare Dean

Respected Sir,

Subject: Requesting for permission to open a programming club.

I would like to bring to your kind notice that we, the students of B.Tech. CSE II year are willing to open a programming club for improving programming culture and environment of the Institute.

This club will be known by the name of "Aficionados" and will have following organising body who will look after the proper functioning of the club:

- President – Abdul Shoeb Patel (B.Tech CSE II Year)
- Vice President – Nidhi Ranjan (B.Tech CSE III Year)
- General Secretary – Varan Shukla (B.Tech CSE II Year)

The Club is aiming to conduct Weekly/Monthly programming competitions and workshops open for everyone which will make beginners aware of opportunities in the field of computer science and will also help senior students to master fundamental concepts. I would also like to bring to your further notice that this club does not require any financial support from the Institute.

Therefore I would like to kindly request you to allow us to open this club.

Thank you.

Yours Sincerely,

Abdul Shoeb Patel (B.Tech. 2nd year)

NATIONAL INSTITUTE OF TECHNOLOGY GOA

STUDENTS ACTIVITY COUNCIL

CODING CLUB PROPOSAL

NAME OF THE CLUB : Aficionados

AIM : To improve coding culture of NIT Goa

Aficionados will be the first coding club of the institute, open for everyone with paramount objective of improving programming skills.

BENEFITS OF THE CLUB:

The club will consist two divisions:

- **Competitive Programming**
- **Skill Development**

Competitive Programming

This division will be dedicated to improve algorithmic aptitude of members. It will also help them to develop problem solving skills and give them an opportunity to stand somewhere in the arena of competitive world.

How?

- Student chapters will be initiated in collaboration with online judges (Hackerrank , Codechef , Hackerearth).
- Weekly/Monthly coding competitions which will consist of algorithms and data structure related questions.
- Talks on sports coding techniques.
- Maintaining leaderboard for the members to create healthy competitive environment.

Why?

- To prepare members for technical interviews and global level competitions (ACM-ICPC, Google Code-jam, Facebook Hackercup etc.).
- To improve the coding culture of the college

Skill Development

This division will be dedicated to create awareness among members about required industrial & technical skills (Web, App, Desktop)

Why?

- In the era of constatly changing technology
- one needs to be well aware of the new advancements.

How?

Arrange workshops, technical talks, meetups on Development topics.

- Arrange Hackathons

OBJECTIVES:

- Initiate , the coding club of NIT Goa and hence imporve the coding culture of the college
- Glorify the institute's name by having an impact in the technology community through achievements by participating in globally presitigious events.
